Sirs/Mesdames:

This refers to the letter of Atty. Rodelio T. Dascil, Director-General of the Senate Tax Study and Research Office (STSRO) calling the attention of PAWD regarding the low turn-out of submission of the Water Districts Annual Report (broken down by Regional Association).

In this regard, may we request you to help us follow-up with your member-water districts in the region to comply with this reportorial requirement under our tax exemption law, R.A. 10026.

The PAWD President has earlier sent a Memorandum Circular urging WDs to comply. Please see attached Memo and the copy of the prescribed format.

Thank you for your cooperation and support.

Very truly yours,

MA. TERESA C.COMBATIR
