INVITATION TO APPLY FOR ELIGIBILITY AND TO BID

The Catbalogan Water District (CWD), Catbalogan, Samar through the Bids and Awards Committee (BAC) invites Manufacturers, Suppliers and/or Distributors who meet the eligibility criteria set forth by existing laws and rules to apply for eligibility and if found eligible to bid for the following good to wit:

Description	Unit	Quantity
Generator Set 313KVA Output with Manual Transfer Switch 800Amp (To be delivered to Caramayon Pumping Station, Brgy. Lobo)	unit	1

PURPOSE: For Caramayon Pumping Station (Stand-By Power)

**PROJECT NAME: SUPPLY, DELIVERY, TESTING & COMMISSIONING OF 1-UNIT
GENERATOR SET 313KVA**

APPROVED BUDGET COST (ABC) P 2,300,000.00 (GOP)

CONTRACT DURATION/DELIVERY PERIOD: 30 DAYS upon CONTRACT perfection

Prospective Bidders should take note of the following schedule:

1. Pre-Bid Conference: **March 22, 2017 (2:00 p.m.)**
2. Procurement/Issuance of Bid Documents: **March 14, 2017 – April 3, 2017**
3. Non-Refundable Fee for Bid Documents: **P5,000.00**
4. Deadline for Submission of Bid Documents: **April 3, 2017 (12:00 noon)**
5. Opening of Bids: **April 3, 2017 (2:00 p.m.)**
6. PhilGEPS, CWD Website, Newspaper & BAC Bulletin Posting: **March 14 – April 3, 2017**

(Note: All interested bidders are required to attend the Pre-Bid Conference and Site Inspection)

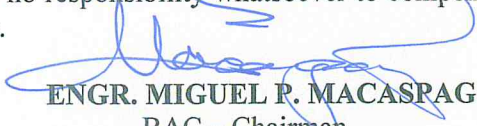

Prospective Bidders shall take note of the following required technical specifications:

1. Brand New Generator Set 313KVA Output with Manual Transfer Switch 800Amp
2. Including Wiring Installation, Skid Mounted, Direct Coupled Engine to Generator with Sound Proof Weather Protected Canopy
3. Complete with other Standard Accessories
4. Direct Injection 4-Cycle Diesel Engine; Cylinder 6-in-Line; Turbo-Charged, Aftercooled
5. Speed 1800rpm; Generator Rating 313 KVA; 3-Phase, Frequency 60, Voltage 560 P.F.0.80
6. Set-Mounted Tropical Radiator; Skid Base with Anti-Vibration Mount
7. Digital Generator Set Control C/W Meters & Alerts; Exhaust Silencer C/W Flexible Pipe
8. Lead Acid Batteries with Cable; Engine & Generator Manual; Operation Manuals

Furthermore, the Prospective Bidders shall also take note of the following terms & conditions:

1. Delivery: The Generator Set shall be delivered to Caramayon Pumping Station (the only way to get there is By-Foot, thus Genset shall be dismantled into parts by the Supplier at the CWD Office before delivery to the pumping site.) All expenses related to the delivery to the site shall be at the account of the Supplier, which shall include labor for hauling of dismantled parts. The Procuring Entity shall not be held liable for any untoward incident during the delivery/hauling and loss of spare parts.
2. Testing & Commissioning: The delivered parts of Genset shall be assembled, tested & commissioned at Caramayon Pumping Station. The Manual Transfer Switch 800Amp shall also be tested & commissioned by the Supplier.
3. Warranty: Three (3) years after the final acceptance on parts and services which shall include full replacement of defective items, including Labor, Spare Parts and Materials free of charge.
4. After Sales Services & Availability of Spare Parts: Must be provided by the winning bidder/Supplier after warranty period.

The CWD reserves the right to reject any or all bids, waives any minor defects and accept the offer most advantageous to the district. The CWD assumes no responsibility whatsoever to compensate or indemnify for any expenses in the preparation of their bids.
