### **An Invitation to:**

**THE GENERAL MANAGERS  
of the Local Water Districts in the Philippines  
Regions 7&8/Eastern Visayas Association of Water Districts (EVAWD)**

**Dear GMs,**

With regards to the capacity building program of the Community of Practice on Climate Change (CoP-CC), Be Secure Project in collaboration with PAWD and the CoP-CC Core Group, will be conducting a Basic Orientation Training on Climate Change entitled **Resilience of Water Utilities in Uncertain Climate Futures: A Training of PAWD's Community of Practice**, on the geographical focus areas of Be Secure Project.

Conduct of training activities will be held by Region and in coordination between the CoP-CC Core Members and their respective Regional Associations or Regional Training Centers. Core Group member who's WD is non-RTC is coordinating with the RTC-WD in the area to host the activity. Campaign among the water districts in the Regional Associations is now being initiated by the core member.

In relation to this, the 3-day training schedule for Leyte Metro which covers Water Districts in EVAWD, will be held on July 6-8, 2015. Attached is the Training Objective and the Program of Activities for the above stated training.

The Be Secure Project will cover cost of resource persons, training materials and food of resource persons. As for the counterpart, each participating water district will cover cost of their own transportation and accommodation. A registration fee will be collected to cover other training costs, meals during the training and incidentals.

Minimum of forty (40) participants shall be accepted which must be participated by the General Manager and one (1) Representative.

Please send your confirmation to Inah T. Rojas-Albuera, PAWD Technical Coordinator at telephone number (02) 927-5032, mobile nos. (0915) 8678771; email address: [inah.albuera@pawd.org.ph](mailto:inah.albuera@pawd.org.ph); Be Secure Training Coordinator Agnes Mamparair mobile no.
